

### Special Town Meeting (January 17, 2018)

<p>Article 1 (Building Inspector Budget Transfer) *Passed Unanimously</p>	<p>Yes</p>
<p>Article 2 (Water Improvement Budget Transfer) *Passed Unanimously</p>	<p>Yes</p>
<p>Article 3 (Sewer/Water Improvements Transfer) *Passed Unanimously</p>	<p>Yes</p>
<p>Article 4 (Re: Glavin Property Acquisition Petition)</p> <p>*Passed Unanimously</p>	<p>Yes - I was proud to vote in favor of this Article, especially since we currently are in the process of finding a new location for the Beal School Project. The Glavin property is one of two potential sites, and since that property currently is state-owned and vacant, I believed it would be of great use to have it for Town purposes. Regarding the land south of it, Shrewsbury Youth Soccer will maintain it as they already have invested significant amounts to date (if SYS goes defunct, the Town would then be responsible for maintaining it). On the eastern side of Lake St., the open space there will be the Town's property, and the Board has maintained that that land will remain open, with no foreseeable projects planned for it. Overall, I think that acquiring these land parcels is a positive step for the Town, and I look forward to seeing the future of those properties.</p>
<p>Article 5 (Re: Pre-Approved Deed Acceptance) *Passed Unanimously</p>	<p>Yes</p>
